# 2022 HONEYWELL USERS GROUP ON THE EDGE OF TRANSITION

At Honeywell Users Group (HUG)

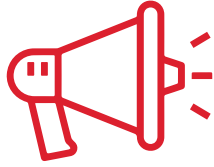

**INFORMATION + EXPERIENCE + INDUSTRY VISIONARIES** come together.

The world is changing fast and so are its demands. We find ourselves in the midst of an era where the focus must be not only on performance, yet on a successful transition to a livable world. A world we all want to make

better by challenging the traditional, and focusing on connected, more sustainable solutions. We like to therefore share the 2022 global Honeywell Users Group theme to you: **ON THE EDGE OF TRANSITION**

# WHY BE THERE?

**WHO WILL BE THERE?** An international audience of control engineers, operations managers, consultants, advanced process control advisors, general managers, plant managers, directors and other decision makers.

**VOC & MEET HONEYWELL -** Numerous opportunities for you to exchange ideas and discuss evolving technologies with industry peers.

**SOLUTIONS -** Honeywell will showcase in the HUG Demo Center over 60 solutions. Come and join us in 2022 at the JW Marriott Grande Lakes Orlando, May 23-26.

**SIGN UP** the sooner you sign up, the more you benefit from special HUG sales promotions and conference activities. Online pre-conference registration will start March 15.

# WHAT IS HONEYWELL USERS GROUP (HUG)?

Honeywell Users Group (HUG) conference provides users of Honeywell process control and industrial automation systems with a forum to exchange technical information and provide feedback to Honeywell on their equipment and service needs.

HUG facilitates work with other Honeywell users' committees worldwide, including the [User Input Subcommittee \(UIS\)](#) and the [Customer Advisory Boards \(CABs\)](#). All present and future Honeywell users and OEMs are eligible to become members of Honeywell Users Group Americas conference.

In addition, the [2022 Honeywell Users Group](#) Americas Steering Committee can waive the above

eligibility rule to accommodate special cases. Users who represent various process automation industries make up the Honeywell Users Group (HUG)

## **STEERING COMMITTEE.**

The committee develops the agenda for the conference based on topics and trends that are deemed most important to the user community.

The Steering Committee holds at least one general meeting (conference) every year. The form, format and content are determined based on feedback from members.

See the next page who the HUG Americas Steering Committee members are.

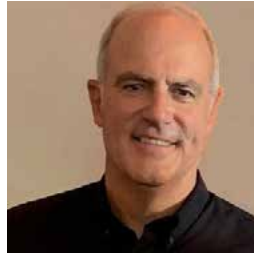

# 2022 HUG AMERICAS STEERING COMMITTEE

**GREG ROGERS**  
Chair, P.E.

**ROBERT COX**  
Vice-Chair

# TOP 10 REASONS TO ATTEND HUG 2022

1.

## SEE PEERS PRESENT

- It's your technical conference developed by customer users for customer users.

2.

## GET VALUABLE INSIGHTS

from general sessions featuring special guests, including: the Honeywell Process Solutions President and the HPS Chief Technology Officer, end users, and a famous Keynote.

3.

**SEE THE LATEST PRODUCTS AND SOLUTIONS** in the HUG Demo Center.

4.

## TAKE IN IMMERSIVE EXPERIENCES

- Surely to be one of the most popular parts of the HUG Demo Center. Whether it's training simulation or another interest, do not miss this!

5.

## WATCH THE THURSDAY KEYNOTE

6.

## HONEYWELL TECHNOLOGY PRESENTATIONS

With all details available for you on the HUG app. All registered delegates will be able to log in and use the app to access details, such as all presentation abstracts, presenter bios, and photos, as well as HUG Demo Center descriptions.

7.

## JOIN ONE OF THE CUSTOMERS ADVISORY BOARDS

- Some of the Customers Advisory Boards (CAB) will have their annual face-to-face meetings on Monday at HUG. And for you they will hold workshops, and/or informal roundtables.

8.

## ON HUG MONDAY FOLLOW VALUABLE TRAINING AND BENEFICIAL WORKSHOPS

- Learn, grow, and improve with an array of topics. View the entire schedule on the HUG app, visible one month before the start of each HUG.

9.

## GO STRAIGHT TO THE SOURCE AT THE CONSULTANTS' CORNER LOCATED IN THE DEMO CENTER

- Take the opportunity to meet the experts one-on-one in an exclusive and private consultation. Contact your account manager to pre-schedule your personal meetings.

10.

## MEET STEERING COMMITTEE MEMBERS

- Remember, all your industries have a representative in the HUG Steering Committee. They help Honeywell develop the conference agenda; if you want to discuss something in particular, just ask.

# DETAILED AGENDA ITEMS EXPLAINED

## GENERAL SESSION

This session is for all HUG delegates. The topics are of general interest; they can be presented by the Steering Committee members, HPS President, the CTO, End Users and/ or Special Guests.

## TRACK

A track can be a topic that is spread over the day with presentations from End Users, Honeywell, Specialists, etc. For example, Sustainability & Renewables is a track on the HUG agenda.

## ROUNDTABLE DISCUSSIONS\*

Informal discussion with the entire audience present in the conference room. Typically, there are an End User moderator and a Honeywell expert who lead the discussions. The conference fee for Customer Moderators is waived.

## CUSTOMER SESSIONS\*

A breakout presentation by an End User (Customer.) It is set to be 45 minutes long and includes a short introduction of the presenter by a Steering Committee member. The last 10 minutes of the session should be for questions. The conference fee for the Customer Presenter is waived.

## WOMEN IN TECHNOLOGY

These sessions are for all interested participants; they are not limited to female conference delegates.

## PANEL SESSION\*

A panel typically has four panel members; these members all share their experience, and after that, have a formal discussion in front of the audience. If time allows, the panel members can take questions from the audience. The conference fee for Customer Panel members is waived.

## FIRST TIMERS

These are first-time sessions for “beginners” – named “Fundamentals of...”

*\*Note: all these sessions will be held multiple times (up to 6 or 7) different sessions per day.*

# DETAILED AGENDA ITEMS EXPLAINED

(CONTINUED)

## **HONEYWELL TECHNOLOGY SOLUTION PRESENTATION\*:**

A breakout presentation by a Honeywell employee (these are often Product Marketing Managers); the presentation is set to be 45 minutes long.

## **TRAINING\***

A trainer from the HPS Automation College will share technical details in a one or two-hour session; in some cases, these sessions can last up to four hours.

## **WORKSHOP\***

A learning session based on real-life examples and technical knowledge sharing; the session is set to last two hours (preferably with an End User and a Honeywell expert.)

## **HUG DEMO CENTER**

This is our Honeywell demo room, where you will find all our products and connected solutions. You will also meet a team of approximately 80 Demonstrators and Consultants who are all experts and there to assist you.

## **CONFERENCE ACTIVITY**

These activities refer to breakfast, AM/PM breaks, and lunches. Only accessible for the registered adult business conference delegates.

## **SOCIAL ACTIVITY**

These are often activities that are held in the evening. In some cases, it will be indicated on the HUG app and at online conference registration if the business conference delegate can bring an adult companion.

*\*Note: all these sessions will be held multiple times (up to 6 or 7) different sessions per day.*

# CONSULTANTS CORNER

## GO STRAIGHT TO THE SOURCE AT THE CONSULTANTS' CORNER LOCATED IN THE DEMO CENTER

Take the opportunity to meet the experts one-on-one in an exclusive and private consultation. Contact your account manager to preschedule your personal meetings.

# CUSTOMER ADVISORY BOARDS (CABs)

The Honeywell Process Solutions (HPS) User Input Subcommittee (UIS) is one of the mechanisms used by the boards to work with customers on enhancements to currently installed systems, gauge the effectiveness of current maintenance and support activities, and receive suggestions for improvement. UIS representatives will be available during HUG to talk to you, you can ask for them at the HUG Demo Center info desk.

See all other CABs on the web. The Safety Management Advisory Board (SMAB), the Pulp and Paper Forum (access for all) Cybersecurity CAB, Batch Forum: open to all, the Honeywell Forge Blend & Movement, Honeywell UniSim Design Honeywell Forge Competency, and the Honeywell Forge Alarm Management CAB will all meet, present and or give special workshops, during the 2022 HUG Americas.
