

THE ROADSHOW ROLLS ON - OUR NEXT STOP CAN BE YOURS

Honeywell Process Measurement and Control is on the road with demos of our Field Instruments, Process Instruments, Modular Systems, Software solutions and Gas Detection Instruments. We can bring this exciting event directly to your local area, giving you the chance to explore and interact with our innovative products in person.

THIS IS WHAT YOU'RE GOING TO SEE AND EXPERIENCE ONCE THE DEMOVAN IS AT YOUR DOOR STEP:

- Featuring a wide range of portable and fixed gas detectors that support various sensors, providing the ideal solutions for key industrial applications.
- We will showcase pressure, temperature, flow and level transmitters wired and communicating with our RTU, PLC, and distributor control system.
- Test Process Instruments products like liquid analytical, electric actuators, and paperless recorders.
- Access operator console, which allows you to test our software and view operator graphics.
- Walk through our instrument shop, where you can get hands-on experience with our field instruments.
- Connect with specialized guidance from Honeywell experts and local channel partner experts available on the Road Show to answer your questions.

LIST OF PRODUCT DEMOS

- Smartline® SLG Radar
- Smartline® SLN Radar
- Smartline® Pressure
- Smartline® Temperature
- Versatilis™ Signal Scout
- LoRaWAN® easybox
- Honeywell Versatilis™ Transmitters
- Smartline® Wireless
- UDC 2800 Controller
- eZTrend® Graphic Recorder
- ControlEdge™ HC900 SIL
- ControlEdge™ PLC
- ControlEdge™ PCD
- XNX™ Universal Transmitter
- BW™ Clip
- BW™ Flex 5
- BW™ Solo
- BW™ Microclip
- FS24X Plus
- Midas® LEL
- MiniRae Lite+
- OmniPoint™
- Searchpoint Optima Plus
- Searchline Excel™ Plus
- Searchzone Sonik™
- Sensepoint XCD, XRL
- Touchpoint™ Plus
