 - c) User paying for a training course using Training Match Funds (TMF) slides 31-42
 - d) User paying for a training course using combination of TMF & CC or PO (Split Payment) slides 43-56

1

1. HONEYWELL ACADEMY E-COMMERCE FEATURE

What is e-Commerce

- E-commerce (electronic commerce) is the exchange of goods and services and the transmission of funds and data over the internet. E-commerce relies on technology and digital platforms, including websites and mobile apps to make buying and selling possible.
 - Honeywell Academy has embarked upon a digital transformation journey to onboard this feature for the very first time that will allow a user to purchase and get enrolled into a training course via a seamless process

Allows a user to purchase and get enrolled via a seemless process

2. WHAT CAN BE ACCOMPLISHED WITHOUT SIGNING IN TO THE HONEYWELL ACADEMY PORTAL

- Users will be able to search for training courses using various facet criteria
 - Facets include Date Range, Training Type, Region, Training location, Training program, Course Number, and Language
 - Users must SIGN IN to enroll into training courses

- Users will be able to view training course details
 - To include Course overview, Course objectives, Course details and Course delivery mode and any related documents

3. WHAT CAN A USER PERFORM USING THEIR MYHONEYWLL ACCOUNT AND SIGNING IN

- Search for training courses using various facets View training course details Enroll into courses by: 1. Clicking on "Contact US" manual process or 2. Clicking on "ORDER ONLINE" automated eCommerce
- - automated eCommerce

- If user has buyer rights, they can:
 - See the List Price and the Your Price if applicable
 - Can place an order online
 - Get enrolled via the order online process ____
 - Pay for training course using the below payment methods
 - Credit Card (CC)
 - Purchase Order (PO)
 - Training Match Funds (TMF)
 - TMF/CC
 - TMF/PO

User can choose to enroll via the manual process by clicking the CONTACT US

Experion PKS: Fundamentals - Server Engineering and Configuration Implementation

Participants will learn how to plan an Experion PKS system, configure a server for SCADA connections, integrate and use Session

Honeywell

PROCESS SOLUTIONS

- User paying for a training course with Training Match Funds and Credit Card or Training Match Funds and Purchase Order (TMF/CC or TMF/PO) using e-Commerce
 - In the secure Checkout page after user clicks the Blue PLACE MY ORDER button and there are no errors, they will see an Order Summary page and they will receive an email.
 - In the case of any errors where user cannot correct, please navigate back to your cart and empty it then use the CONTACT US button in the training search pages for the course you wish to enroll in (Manual Process)

- User paying for a training course with Training Match Funds and Credit Card or Training Match Funds and Purchase Order (TMF/CC or TMF/PO) using e-Commerce
 - After user clicks the Blue PLACE MY ORDER button and there are no errors, they will see an Order Summary page and they will receive a Transaction Summary email from Honeywell Customer Service mailbox within some time.
 - User will be put on a Waiting User list until the Prerequisite's if any have been validated then user will be enrolled into training course and will also receive a "Confirmation of Enrollment" email from our LMS.

For large orders the order calculation process can take a long time.

THANK YOU
